

TOMBOLA del CORPO

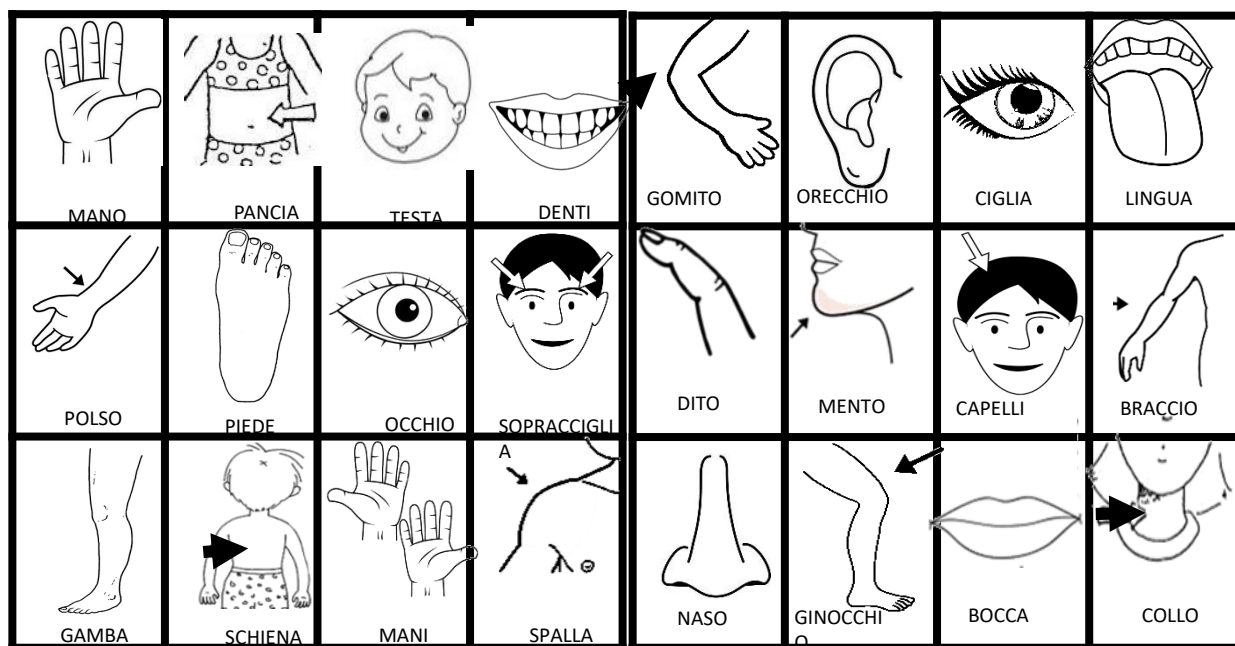

GIOCHIAMO TUTTI INSIEME ...

Una tombola piena di disegni ispirati al corpo umano e alle sue parti, per aiutare i bambini a conoscere le parti del corpo umano, ad imparare nuovi vocaboli e per divertirsi insieme ai familiari.

Ritagliate le 24 carte alle pagine 3 e 4.

Ritagliate e le 10 cartelle.

Le due pagine n.°5 e 6 «CARTELLONE» vanno incollate vicine per ottenere il cartellone . Come si vede dall'immagine sottostante

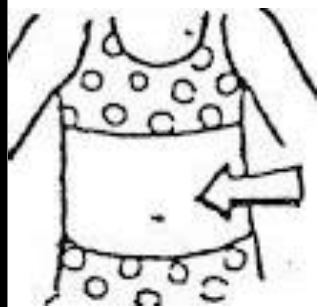

Se volete che la tombola sia più resistente potrete incollare i fogli su del cartone.

E volendo si possono colorare i vari disegni così da ottenere una tombola più colorata e vivace.
